

The Gloucester Township Fire District # 4 held a Workshop on 12/2/2020. The meeting was held virtually due to COVID-19 pandemic. This meeting has been properly advertised according to the State of New Jersey Sunshine Laws.

Commissioners: Jones, McCann, Grady

Attendees: FAM Prendergast, FF Walsh, FF Woods, FF O'Connor, Captain Reiss, FF Klingberg, FF Kemery, Bob Stavola

Commissioner Jones reported they certified a list of 20 firefighters, that will be good for 6 months.

Commissioner Grady reported he would like to certify and approve the contracts at the next Regular Meeting.

Commissioner McCann reported that the new list for LOSAP has been posted, and there has been one appeal from FF Woods.

He also reported that Bill Robb has stated Ed Miller from Pierce has made an offer to save \$12,000.00 on Engine 88. If the Board pays \$365,000.00 by Jan 2, 2021, they will take \$12,000.00 off the price of the truck. He said there are many questions, including how this will change the payments, and are we legally permitted to do this in the eyes of the Division of Local Finance.

Commissioner Grady questioned the \$11,000.00 on the Blackwood Fire Company Budget. It led to a discussion on the Blackwood Fire Company 2021 Budget.

Commissioner Jones stated all remaining meetings will be virtual for 2020.

Commissioner Jones reported cameras, monitor, and a camera for the front door will be installed.

Commissioner Grady thinks a second shut down will be coming.

Commissioner Grady will be working for the OPS meeting.

Commissioner Jones said the meeting with District # 2 and # 3 date is to be set. Commissioner would like to be involved. Commissioner Grady said he will bow out, since he will have to work.

With no further business to discuss.
