1. Commissioner Simone reports that the new generator is now being installed at Station # 2.
2. Commissioner Coucoules reported that 841 will go to Buds for repair of the Tillman. They are looking to resolve this issue, and a representative from the manufacture will be there to troubleshoot the problem. He also stated he spoke to FAM Jones and asked him to tie up all loose ends, before his retirement on November 30, 2015.
3. Commissioner McCann reported that there is not any new information to report on OPRA, as we have not received a response from them.
4. Commissioner Stout brought up the idea of a new Healthcare provider, Urgent Care. He said they are located locally and have hours on the weekends as well. They may not be an occupational Healthcare provider, but he said he would have to look into that.
5. Commissioner Vannoni said the career has been instructed to detail all the apparatus by December 4, 2015.
6. Commissioner Stout said the Board needs Fire Official Urso's hours spent on firefighting as opposed to Fire Official duties, so the Board can enter them into the Budget properly.
7. Commissioner Coucoules said the Truck Committee will meet on Monday November 9, 2015 at 6:30 to discuss the purchase of the new truck, and what the plan would be to dispose of the car currently used by the Fire Official.
8. Local 3249 Shop Steward F. Reiss stated he does not feel as though Fire Official Urso should have to partake in the detailing of the apparatus, since his Fire Official duties keep busy.

With no further business to discuss, the meeting was adjourned.
